2.00-3.00pm				PE	Computing
3.00-3.20pm	Independent Reading	Class Novel	Independent Reading	Class Novel	Class Novel

General Information

PE day: Thursday

Coloured house team top, school hoody (or plain navy blue hoody) and blue or black joggers/shorts, with comfortable trainers.

Reading books: Reading books need to be brought into school every day so that we can listen to children read at least once a week in school. Books will be changed whenever necessary.

Pupils are asked to read every night at home, unless they have read to an adult in school that day.

Extra-Curricular

This year is a perfect time for your child to try something new as we have a variety of many different extra-curricular clubs throughout the year. Please keep your eyes on Parent Pay to book your child on to any of these clubs.

This year, we will continue to try our best to take the children on a trip, and the children will have a class assembly as well as their end of year production. More details will follow on the school newsletter. As part of the children's learning, we will also be inviting families in to school on occasion; children will be informed of this in class but information and invites will also be sent through our school newsletter.

We have swimming lessons starting again which will take place 12th – 23rd October.

The children can nominate themselves for extra responsibilities:

- ☐ Librarian
 - ☐ Playground leader
 - ☐ Faith leader
 - ☐ Subject ambassadors
-

Residential

On 19th October, we will venture to the shores of Windermere and enjoy a whole four days of outdoor activities at Tower Wood.

Outdoor activities will include some of the following:
Ghyll scrambling, hiking, kayaking, rock climbing, mountain biking, high ropes.

The residential is an incredible experience for all children. The instructors are qualified instructors who tailor activities to the needs of our children.

Parents information evening is tonight!

SATs

SATs are the end of Key Stage 2 statutory assessment tests which assess children's learning and understanding from year 3 – 6.

The will take place on the week commencing 10th May and will follow the timetable below.

This year, you can support your child even further by listening to them read on a daily basis, and questioning them about the text. After Christmas, children will receive a revision guide. Any help and support with this will be greatly appreciated.

Further advice and support will be provided closer to the time through an information evening.

Monday	1 - Grammar and Punctuation 2 - Spelling
Tuesday	English Reading
Wednesday	Maths Paper 1 – Arithmetic Maths Paper 2 – Reasoning
Thursday	Maths Paper 3 - Reasoning

If you have any questions, please feel free to catch me at the end of the day on the playground or make an appointment through the office.

Thank you for your continued support.

We have had a fantastic start to the school year and have no doubt that this will continue.
