

Welcome Year 4
parents!
Meet the
Teacher

MR LIGHTFOOT -
CLASS TEACHER
MISS MCMANUS
AND MRS
FLINTOFF -
TEACHING
ASSISTANTS

General information

Individual passwords for Times Tables Rockstars are in the front of their reading records.

Spellings will be sent home every Friday and tested on the following Tuesday.

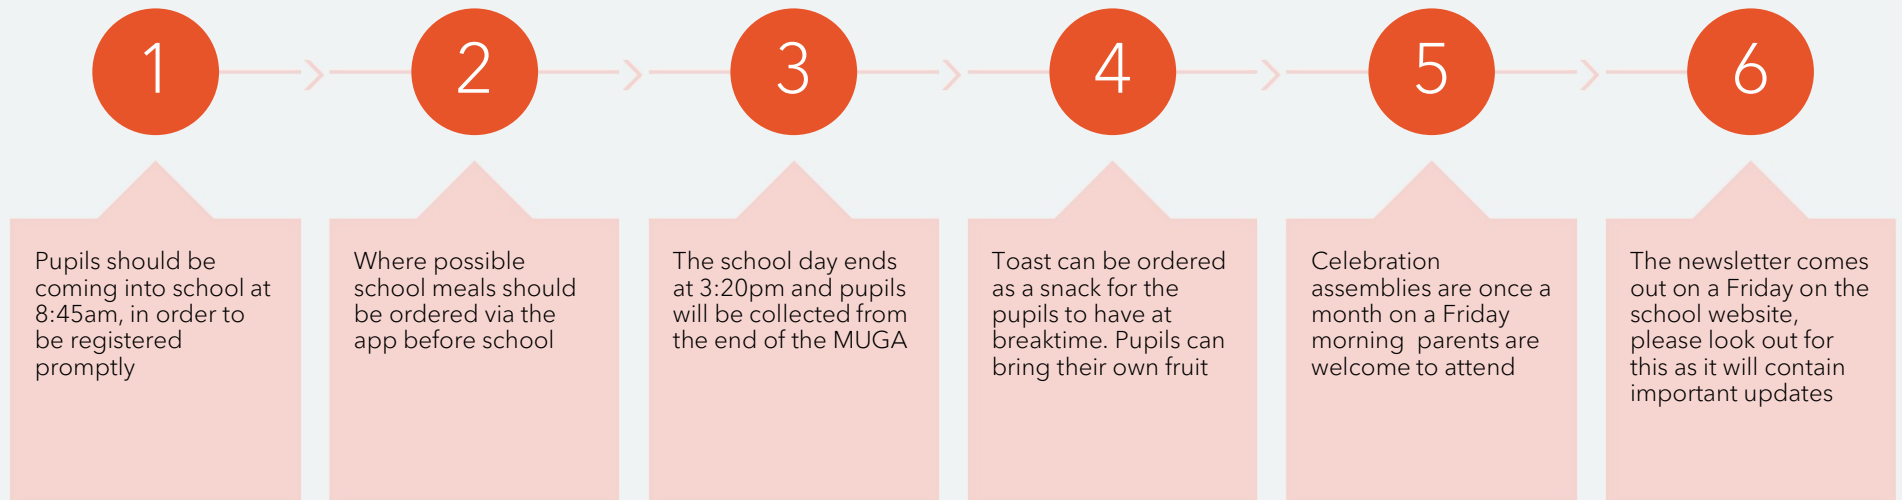

The expectation is that children read every night to parents for 10 minutes and the reading record is signed. Books will be changed as and when pupils finish them

There is no homework other than reading, spellings and Times Tables practice

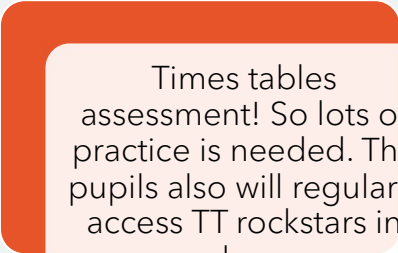

Uniform - no jewellery is to be worn plastic plugs for pierced ears. No polo shirts.

PE is Monday for the first half term and swimming in the final two weeks before Autumn 1 ends.

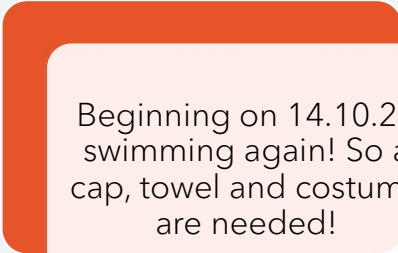

General information

Important Year 4 information

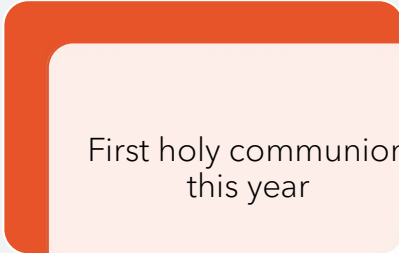

Times tables assessment! So lots of practice is needed. The pupils also will regularly access TT rockstars in class.

Beginning on 14.10.26 swimming again! So a cap, towel and costume are needed!

We will be doing a school production in the spring term with Year 3

First holy communion this year

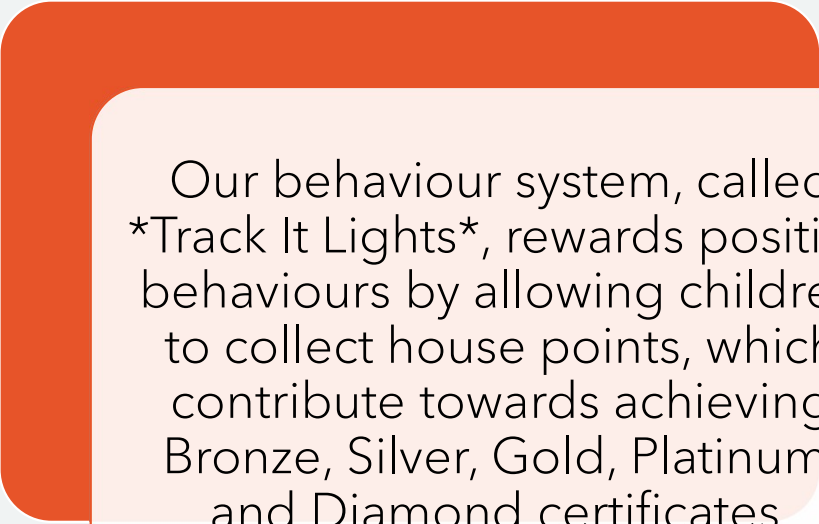

Behaviour and Expectations

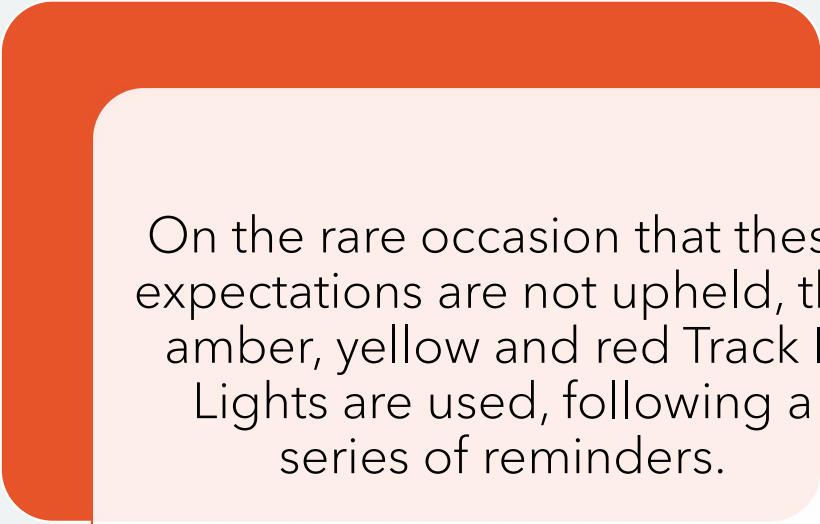

- Behaviour expectations are based on 4 key strands:
- - Show **respect** for others and the environment.
- - Practice **kindness** in your actions and words.
- - Always **do your best** in every task.
- - Be **ready to learn** and engage positively.

These have been discussed and agreed upon with pupils and contribute to a safe, calm and inclusive environment in which they can thrive!

Track it lights

Our behaviour system, called *Track It Lights*, rewards positive behaviours by allowing children to collect house points, which contribute towards achieving Bronze, Silver, Gold, Platinum, and Diamond certificates.

On the rare occasion that these expectations are not upheld, the amber, yellow and red Track It Lights are used, following a series of reminders.

Thank you for attending. I am truly excited to teach your children and to collaborate with you as parents, so together we can help the achieve everything they are capable of.

Does anybody have any questions?
