

This week, we welcomed Ofsted into school and could not be prouder of our children. They spoke confidently, demonstrated exemplary behaviour and truly reflected the kindness, respect and enthusiasm that make St Anne's such a special place. We would also like to thank our parents and carers for the overwhelming support shown through the parent survey and conversations with the inspectors. Your positive comments about the school were greatly appreciated. We feel that the inspection team gained a genuine understanding of our calm, warm and welcoming family atmosphere, and of the strong relationships that sit at the heart of our school community. We look forward to sharing the final report with you as soon as it is published.

Reflection for the week

Congratulations to our boys' football team for their efforts in the recent inter-school competition. Over the last three weeks, they have shown great dedication, resilience and sportsmanship, representing the school with pride at every match.

Thank you to Mrs Flintoff and Mr Charnley for their continued support, coaching and encouragement throughout the competition.

Allergy Aware

On Monday the whole school joined a live online assembly led by the Sadie Bristow Foundation, for a special exploring allergies and how we can help everyone feel safe and included at school.

The children heard what an allergy is and were helped to understand why allergy awareness matters and how the whole school community can work together to care for and include children with allergies.

Pupil Leadership roles

Congratulations to all our pupils who this week have been appointed to leadership roles in school.

Messages not to be missed!

Annual Permissions

Your child should have brought home the annual permission forms last week. Please complete and return these to school by Monday if you haven't done already. This will help ensure that no child misses out on activities and that we have up-to-date permission information, including details of any adults authorised to collect your child.

Appointments

While we understand that some medical and emergency appointments are unavoidable, we ask all parents and carers to make every effort to arrange routine appointments outside of school hours, such as after school, during holidays or at weekends – as the school staff are required to do for themselves and their families. Even a single hour out of school can result in missed teaching, learning discussions and important class activities, and repeated absences quickly add up to a substantial loss of learning time across the year. Pupils will only be authorised to leave school during the day for emergency or unavoidable appointments, and evidence of the appointment (such

2/10/2026

as a letter, text confirmation or appointment card) will be required. Thank you for your continued support in helping us maximise every child's learning time and attendance.

Uniform

The children are looking very smart as they have come back to, or started, school – thank you so much. **Please ensure all uniform is labelled so any lost items can be returned.** If anyone requires any 'good as new' uniform, we have a stock in school of generously donated items so please speak to Lisa or ask at the office. Any further donations would be gratefully received.

Medications

If your child suffers with asthma and has an inhaler, please bring a labelled inhaler to the school office to complete the medical forms for us to retain in school.

New applications for free School Meals

If your child is eligible for free school meals, please do register them to ensure their entitlement begins as soon as possible. This is particularly relevant to children who have moved into Year 3 who have all previously been in receipt of the Universal free school meals. Please click on the link below to access the registration page

<http://www.lancashire.gov.uk/children-education-families/schools/free-school-meals.aspx>

All children in Reception Class, Year 1 and Year 2 are eligible for a free school meal. Please encourage your child to take advantage of this provision - all meals are freshly prepared on-site and are a good way of introducing the children to food they may not necessarily have tried before.

Changes to Free School Meals

As you may be aware, the eligibility criteria for Free School Meals changed over the summer. Unfortunately, this has resulted in some discrepancies, and we may not have received the most up-to-date information from Lancashire County Council.

If you have received an email confirming that your child is eligible for Free School Meals, please forward it to **bursar@st-annes.lancs.sch.uk** so that we can update our records accordingly.

School App

Please make sure you have got our new Juniper App installed on your phones. If you have not registered, please keep an eye on your inbox (and junk/spam folder) for an email that will be sent early next week with further details. If you are struggling with this, please let the school office know as soon as possible as this is our main channel for communication. Please email **bursar@st-annes.lancs.sch.uk**

The School car park

We are very fortunate to have a large car park which we allow parents/visitors to make use of. This can only remain the case if all car park users adhere to our safety rules. Any parents/visitors to school wishing to use the school car park **MUST park only in designated bays. Disability marked spaces are only to be used by holders of a blue badge.** If car park users choose not to follow these safety rules, you will be asked to move your car. Please understand, anyone asking you to move your vehicle is doing this for the safety of our school community.

Scooters (electric or otherwise) and bikes are not permitted to be ridden on the school premises. This is to safeguard all in the community, especially our younger members. Many thanks in anticipation of your support.

Water and Healthy snacks

All children are asked to keep a **water bottle** in school so they can keep hydrated. We do ask that only water is added to the bottle and not juice. Regular sized water bottles (up to 23cm) are required from Year 1 to fit the bottle holders attached to each chair for ease of access. Any oversized bottles will impact on how often the children can access water

We do offer **toast** to all pupils (pre-ordered before each half-term on Parent pay). Alternatively, pupils may bring in their own **healthy snack** – fruit or vegetables only please. Pupils in Reception class, Years 1 and 2 are provided with free fruit/veg through the Government scheme.

Communication

Our School website contains a wealth of information about school, our routines and our policies. Newsletter links are emailed and App messaged weekly on a Friday and are also available on the school website. If you have any questions about anything, please do contact the school office. If you wish to speak with your child's class teacher, please contact the school office and an appointment can be arranged. We believe in working closely with children, parents and families and welcome your ideas and views - please do share with us!

Admissions for Reception and High School 2027

If you have a child who is due to start school in Reception in September 2027 (those who have their 4th birthday between 1st September 2026 and 31st August 2027) or a Year 6 child due to start High School in 2027, the on-line application is now available. You must apply even if a brother or sister is already at the school.

Go to www.lancashire.gov.uk/schools. It is quick and easy to do and you will receive email confirmation of your application. There is also a supplementary form for Catholic Primary schools which is available from the School Office. This should be completed and sent into school in support of the on-line application. The website closes on the :

31st October 2026 for High School Applications

15th January 2027 for Primary School applications. Please do ask if you would like any help with your application.

Nut-Free School

As we are seeing an increase of children with nut allergies, St Anne's is now a 'Nut-free' school.

Children who suffer from nut allergies can develop a severe, potentially lifethreatening allergic reaction. If someone has a nut allergy, it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts e.g., Nutella, can trigger an anaphylactic shock which can cause breathing and swallowing difficulties. As a school we have a responsibility to keep all pupils, staff and visitors safe reducing any risk of harm so pupils, staff and visitors must not bring products containing nuts into school either in lunch boxes or as snacks.

The following items must NOT be brought into school in packed lunches or for snacks:

- Packets of nuts
- Peanut butter/Nutella sandwiches
- Cereals / Fruit and cereal bars that contain nuts
- Sesame seed rolls (children allergic to nuts may also have a severe reaction to sesame)
- Cakes made with nuts

This list is not exhaustive, so please check the packaging of products closely. No items containing nuts are prepared in the school kitchen.

Your voice matters!

Please take the time to complete the Parental voice form – there is only one box – a space for you to share your praise, compliments, concerns or suggestions you may have about our school. Your
